TRANSCRIPTION #108 - LETTER FROM MR. AL-MARRI DATED JULY 2, 2006

Dear Andy.

Peace be upon who follow the guidance

I am sorry for the delay to answer you, but it has been pretty busy here. The status now is that I told them that even when I am following their unknown rules & regulations, I am still punished by keeping inside my bars for 18 hrs a day, no phone call to family, no socialization and the many other things that prisoners gets. So, now the camera is covered, the door is window is covered, the good tray opening is also covered from my side so, now they can not see me, they could hear my movement inside the cell though the mic in the camera, but no visual contact for hrs & hrs unless ask for them. And any body try to have visual contact, he would be a target of water or food or others liquid chemical (yellow). So, nobody try it anymore what I have now inside my cell are ① chair ② stall ③ thin mattress ④ green mattress ⑤ 3 blue small blanket ⑥ pillow ⑦ my hygiene (*hygiene*) items including toilet paper (so, you do not have to wash your hand) ⑧ the clock taped the door is window from outside ⑨ Quran only ⑩ Dictionary

Please write to the Court & Norfolk & even to their bosses that, they are pressuring me - by taking things away from me - to settle & cancel the case from the Court. Do please make some noises to the Courts, Norfolk, & Washington D.C., R. Cross. And prepare a statement to the media (let me see it first) to be released after the submission to the privilege team.

I need your help in the outside, my effort here would not effective w/out the outside noise. If you have, or the others - a different opinion, then please advise me, otherwise let us do this I will try my best this time not to stop until things are settled.

I thank you all for everything and may Allah reward you hansomally (*handsomely*) & send you help in time of need as he sent you to me.

Yours,

Ali
